Dear Sir:

Supplemental to the Information Disclosure Statement filed October 14, 2005, Applicants are enclosing Form PTO-1449 disclosing additional references. These U.S. Patents were cited in both the International Search Report, copy enclosed, and the International Preliminary Report on Patentability. An English translation of the International Preliminary Report on Patentability is also enclosed. The remaining references cited in the International Search Report and the International Preliminary Report on Patentability have been previously cited in Applicants' October 14, 2005 Information Disclosure Statement or cited by the Examiner.

Please note that in Applicant's October 14, 2005 Information Disclosure Statement **WO 92/14551** was incorrectly cited as WO

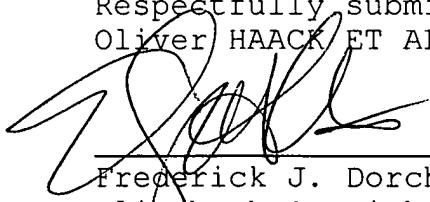

92/1455. As this reference has already been considered by the Examiner, a copy of same is not enclosed herewith.

Copies of the U.S. Patent documents are not enclosed pursuant to current Patent and Trademark Office guidelines.

Because this Supplemental IDS is being filed subsequent to an Office Action, a check in the amount of \$180.00 is enclosed in payment of the fee for filing this Information Disclosure Statement. Please charge any additional fees or credit any overpayment to our Deposit Account No. 03-2468.

It is respectfully requested that the foregoing Supplemental Information Disclosure Statement be incorporated into the official file of the present patent application.

Respectfully submitted,
Oliver HAACK ET AL
